

Capability Statement

Service-Disabled Veteran-Owned Small Business · SBA VetCert · Troy, Michigan

Company overview

VETTED is an SDVOSB prime contractor founded by Evan Shelline, a former U.S. Navy SEAL with 20+ years of operational leadership, and co-owned by Chris Warburton, who has run healthcare businesses for 15+ years across nine facilities with 160+ staff. We lead programs, self-perform healthcare and facility support services, and integrate SDVOSB-first teaming partners for specialty requirements.

Core competencies

- Program and project management with one accountable program manager
- Quality control plans, inspections and documented corrective action
- Risk management: staffing, schedule and safety
- Personnel recruiting, screening, supervision and retention
- Transition-in planning and contingency staffing
- Subcontractor integration and flow-down of requirements
- Role-based training programs with documented completion

Differentiators

- **SEAL-led.** Disciplined planning and direct owner involvement on every contract.
- **Healthcare operations depth.** Staffing, supervision and documentation at scale.
- **SDVOSB set-aside eligible**, including VA Veterans First procurements (VAAR 819.70).
- **Michigan-based, nationwide through teaming**, with limitations on subcontracting tracked throughout performance.
